

ID Operations Portal Wixsite (Jakarta and Panjang Terminal)

[Main Home Page \(Current Layout\)](#)

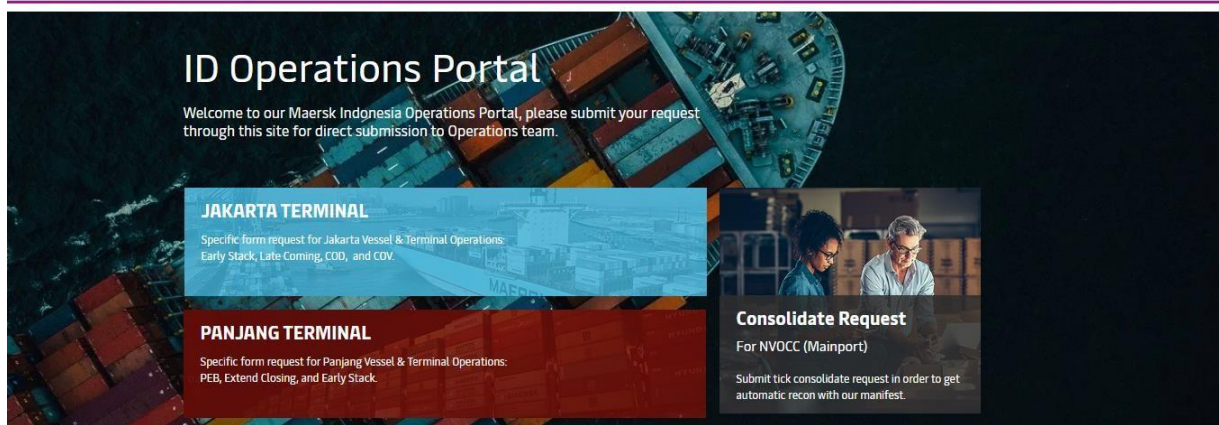

Starting from 14 March 2024, we will launch new layout for the Main Home Page Wixsite.

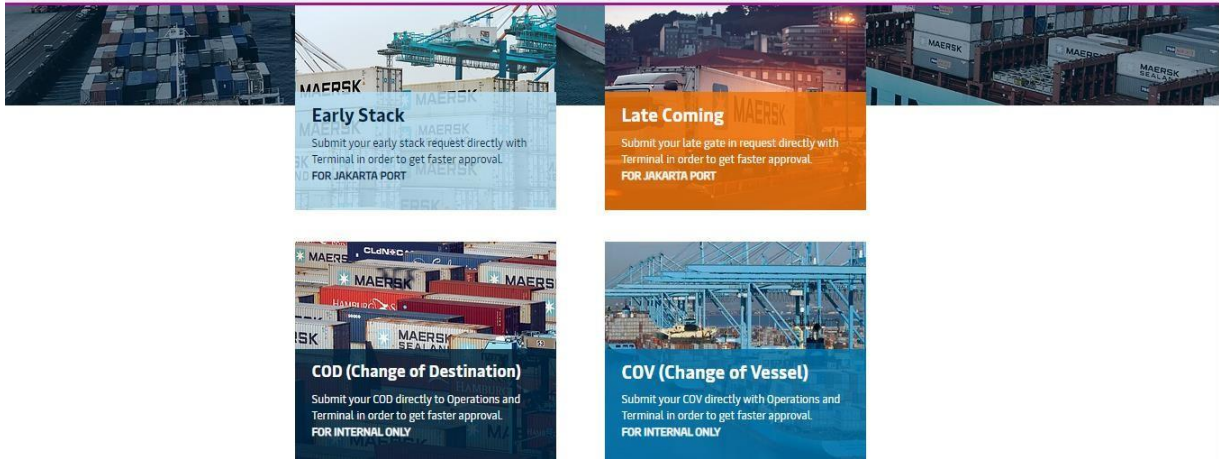

[What's Change?](#)

- We will consolidate the submission request based on each port (Jakarta and Panjang).
- Consolidate Request submission will remain the same.
- Link to access the website will remain the same.
- Password to access submission website will remain the same.

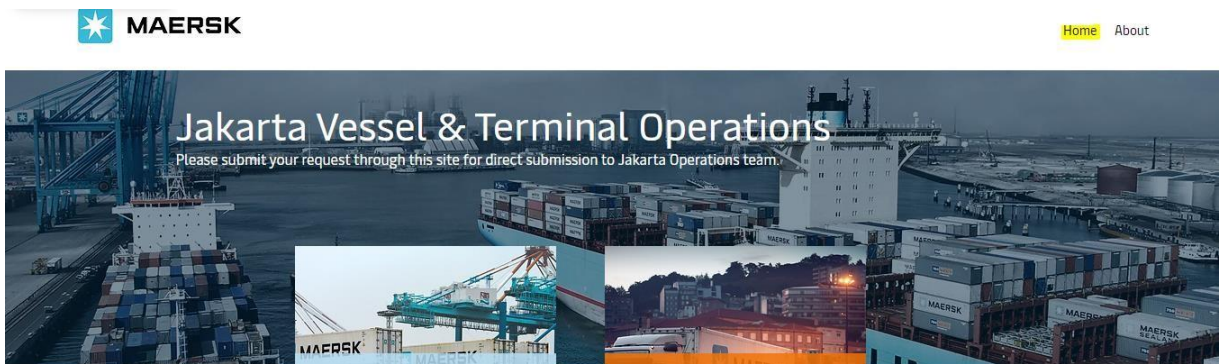

[Main Home Page \(Upcoming Layout\)](#)

If you wish to continue and submitting your request for Jakarta Port, please click on **“JAKARTA TERMINAL”** button. Then the website will guide you on the following pages. Please kindly note that there are no changes with the password (PW) to access all the features.

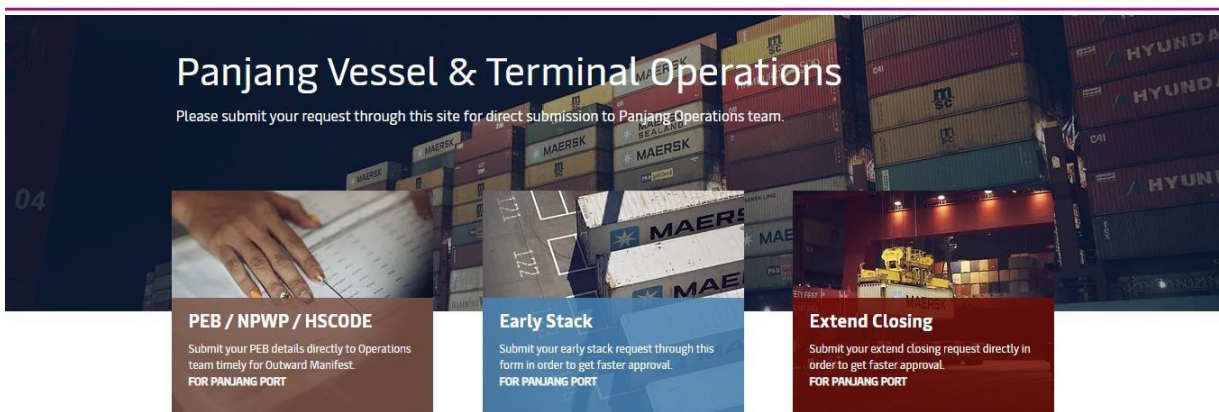

Please click **“Home”** on the top right-side button to direct you back to the main page.

Please click on **“PANJANG TERMINAL”** button and we will direct you to following submission.

Kindly note there are no changes for the password as mentioned below to access all the features.
