

How to Request Freight on BL via www.Maersk.com

Request for Freight BL Issuance

Dear Valued Customer,

We at Maersk constantly strive to improve our service to our customers. To offer more ease in doing business, and enhancing better customer experience by requesting to show freight on BL via www.Maersk.com during Final SI submission.

It will really help you to request via website instead of requesting via e-mail or call.

STEP #1.

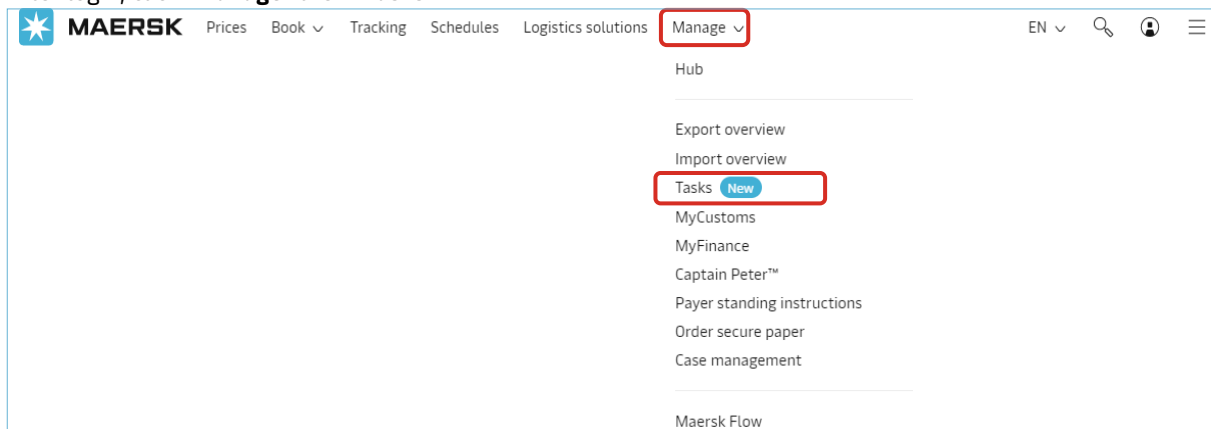

LOG IN to www.Maersk.com.

-- If you are failed to log in, CHAT technical support [here](#).

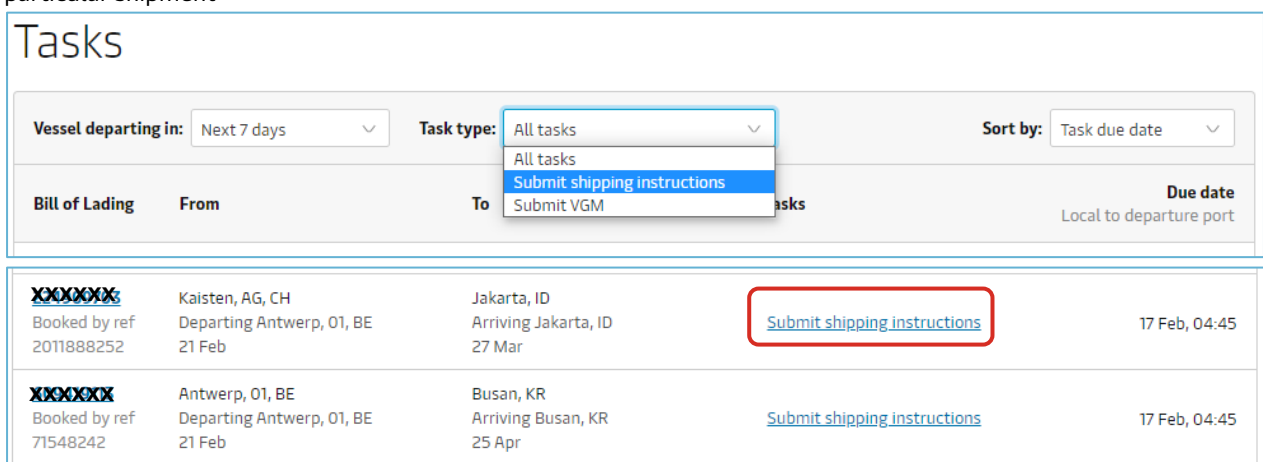

STEP #2.

After login, click "Manage" then "Tasks"

STEP #3.

Choose "Submit shipping instructions" to show the shipment with pending SI submission then click the link on particular shipment

OR, Alternatively you can also search from Hub dashboard and **track the shipment number** on the right side of the page.

Request for Showing Freight – Draft/ Verify Copy

This request can be made during Final SI submission before issue of the **Sea Waybill/Original Bill of Lading**

The screenshot shows the 'Exit Shipping Instructions' page. At the top, there's a 'Shipment:' field with a redacted ID. To the right, it shows 'From Indonesia 06 Jun 2022' and 'To Algeria 15 Jul 2022'. Below this is a navigation bar with tabs: 'Document', 'Parties', 'Payers' (highlighted with a red box), 'Cargo and VGM', and 'Review'. The 'Payers' section is titled 'Payers' and contains a red-bordered box with the question 'Do you want to display these charges and amounts on the bill of lading?' and two radio buttons: 'No' (selected) and 'Yes'.

If you want to show Freight on Draft BL, click Yes.
