

Stay informed about the
status of your shipment
by subscribing to
Notifications

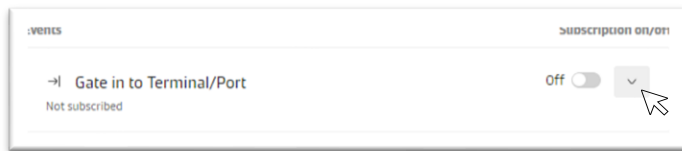

With this feature, you do not need to call or send an email to get the latest updates on your cargo. All you need to do is [subscribe to either web and/or email notification](#), and receive daily container movements (Gate In, Load, Discharge & Gate Out) updates through our web platform or straight to your inbox.

Step 1: Go to [Maersk.com](https://www.maersk.com) and click the **Account** icon

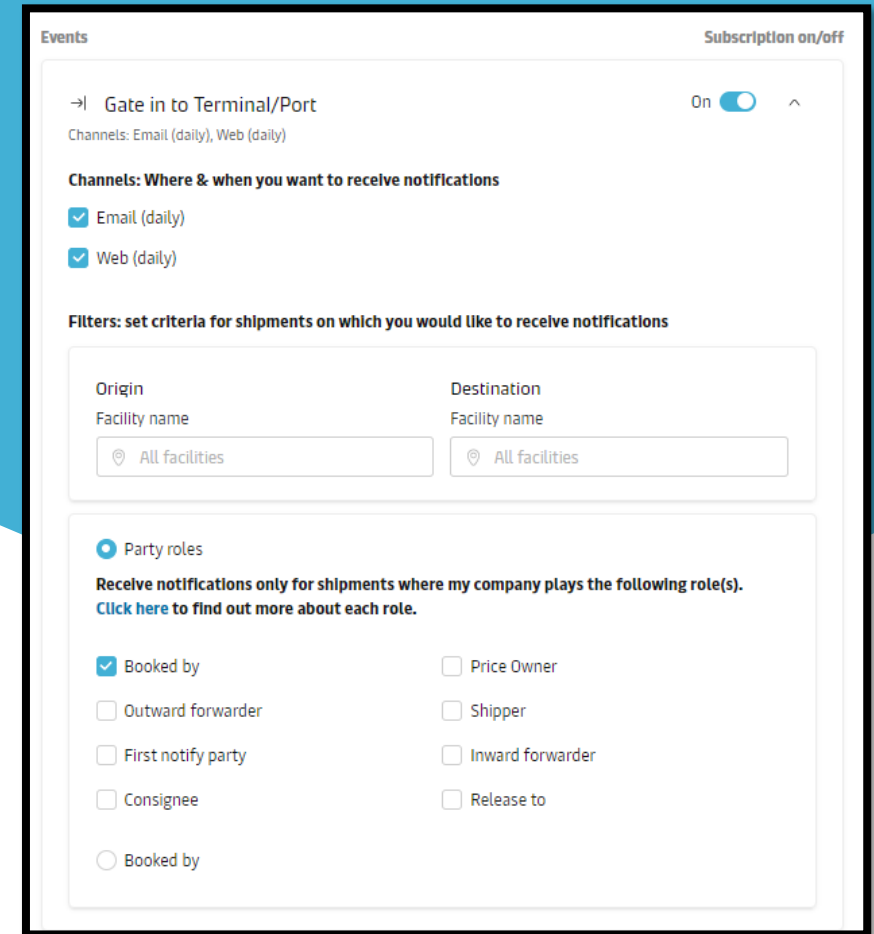

Step 2: Select 'Manage Subscriptions'

Step 3: Select which events you'd like to receive notifications and open the drop down

Step 4: Select which channels you'd like to receive container movements notifications by ticking the box beside email and web.

You may also set criteria for shipments on which you would like to receive notifications through **filters**. Additionally, you may opt to receive notifications only for shipments where your company plays a role through **Party roles** section. Kindly refer to slide 5 to learn more about each role.

A screenshot of the 'Events' settings page. The page title is 'Events' and the toggle for 'Subscription on/off' is set to 'On'. The 'Channels: Where & when you want to receive notifications' section has checkboxes for 'Email (daily)' and 'Web (daily)', both of which are checked. The 'Filters: set criteria for shipments on which you would like to receive notifications' section has two input fields for 'Origin Facility name' and 'Destination Facility name', both set to 'All facilities'. The 'Party roles' section has a radio button selected for 'Party roles' and a list of roles with checkboxes: 'Booked by' (checked), 'Price Owner', 'Outward forwarder', 'Shipper', 'First notify party', 'Inward forwarder', 'Consignee', and 'Release to'. There is also a link 'Click here to find out more about each role.'

A screenshot of the Maersk Web Notifications platform interface. The interface is white with a blue header bar containing the Maersk logo and navigation links: Prices, Book, Tracking, Schedules, and Supply chain. On the right side of the header bar, there is a language selector (EN), a bell icon, a search icon, and a menu icon. The main content area is titled "Web Notifications". Below the title, there is a search bar with the placeholder text "Search your Shipment number to see notifications." and a "Search" button. Below the search bar, there is a "Filter" dropdown menu. To the right of the filter, there is a "Mark all as read" checkbox and a "Manage Subscriptions" button with a bell icon. The main content area displays two shipment summaries for "27 September 2023". The first summary is for "Shipment" with "44 Containers" and shows "30 Containers Gated-in to Port" and "14 Containers Loaded" at "Lisbon, Portugal". The second summary is for "Shipment" with "4 Containers" and shows "4 Containers Gated-Out empty" at "Lisbon, Portugal". Below the second summary, there is a table with the following columns: "Container Number", "Vessel", "Gate-Out location", "Port of Load", and "Gate-Out Time (local time)". The table contains four rows of data, all for "Maersk EMMA" at "Shanghai Mingdong Terminal" and "Cape Town Container Terminal". The "Container Number" column has a red box around it. To the right of the table, there is a "See Shipment Details" button with an external link icon. Below the table, there is a section for "26 September 2023" showing "Shipment 1234567775" with "4 Containers" and "4 Containers Gated-Out empty" at "Lisbon, Portugal". There is also a "See Shipment Details" button for this shipment.
