

Documentation Details Information – Origin Clauses Restriction, Parties check for US Canada bound shipments

Dear Valued Customer,

We at Maersk constantly strive to improve our service to our customers. To fasten your documentation process, we would like to share some information and tips on completing the documentation details, especially for

- Origin Clauses restriction,
- Parties Check for US/Canada bound shipments,

1. Parties Check for US/Canada bound shipments

For all shipments bound to US/Canada, document parties' address should be updated **within 4 lines only**. For excess characters, continuation usually will be updated on the description field. Kindly find example as below

<p><u>Incorrect</u></p> <p>OLD NAVY (CANADA) INC 60 BLOOR STREET WEST, SUITE 1500 TORONTO, ONTARIO M4W 3B8, CANADA</p>	 <div style="border: 1px solid black; padding: 5px; display: inline-block;">6 Lines</div>
<p><u>Correct</u></p> <p>OLD NAVY (CANADA) INC 60 BLOOR STREET WEST, SUITE 1500 TORONTO, ONTARIO M4W 3B8, CANADA</p>	 <div style="border: 1px solid black; padding: 5px; display: inline-block; color: green;">4 Lines</div>

2. Origin Clauses restriction

We are unable to provide the origin clause because Maersk as a carrier can not certify the origin of goods received for carriage. What Maersk can certify is the place of receipt of the goods. 'Origin' refers to the place where the goods were produced, which easily could be at another place or in another country than the place of receipt by the carrier. Instead origin customer/shipper must issue a document on own letter head which you may attach to the transport documents.

By then, please kindly avoid state below restricted clauses on your Shipping Instructions

- Country of Origin: XXX
- Goods originated at XXX
- Goods of XXX Origin
- Country of Origin: XXX
- Made in XXX
- Cargo Origin: XXX
- Origin Clause
- Product of XXX / Produce of XXX
- COUNTRY OF ORIGIN – WORLD WIDE
